Pick a starting point.

All hand-coded. No templates.

01

Landing Page

9,900,000

5–7 working days

For a campaign, a product launch, a résumé or a new business.

- **One custom page**, up to 6 sections
- Contact form, call & WhatsApp
- 2 revision rounds
- Mobile & desktop, light motion
- Basic SEO, on your domain

Not included: admin panel or back end.

02

Business Starter

19,900,000

8–12 working days

For small businesses, freelancers and personal brands.

- **Up to 5 pages**, custom design
- Enquiry or consultation form
- SEO titles & structure
- Mobile menu, fully responsive
- Gallery & social links
- 2 revisions · **1 month free care**

You supply the content; admin panel and copywriting are extras.

RECOMMENDED

03

Business Pro

34,900,000

12–20 working days

For companies that need a polished, complete site.

- **Up to 8 pages**
- Services, projects & case studies
- Speed & image tuning, sitemap
- **Custom UI, richer interactions**
- Multi-step forms
- 3 revisions · 1 month free care

Not included: custom admin panel, second language.

04

E-commerce Starter

44,900,000

20–30 working days

For a small online store with a simple order flow.

- Products, categories & cart
- Checkout with confirmation
- First 30 products entered
- **Payment gateway connection**
- **Admin panel** for products & orders
- Responsive, basic SEO

Not included: accounting, advanced inventory, multi-vendor, ERP.

05

Custom Web App

from **59,900,000**

Timeline after scoping

For internal dashboards, work tools and product MVPs.

- **Custom interface & workflow**
- Create, view, edit & delete data
- Deployment & short docs
- One user role
- Database & API for the agreed scope

Multi-user, AI, SMS and payments are quoted separately.

Prices cover the pages and features listed in your quote.

Add to any package

Extra page, matching design	**1,500,000**	External API connection	**from 3,000,000**
Standalone UI/UX design	**from 5,000,000**	**Simple AI chatbot**	**from 7,900,000**
Basic visual identity	**from 4,900,000**	**Simple booking system**	**from 5,900,000**
Copywriting, one page	**600,000**	Payment gateway connection	**from 2,500,000**
10 images prepared with AI	**1,500,000**	Redesign an existing site	**from 7,900,000**
Enter 30 products (your data)	**2,000,000**	Speed up an existing site	**from 2,000,000**
Simple content admin panel	**from 6,000,000**	Move a site to a new server	**from 2,000,000**
Form linked to email or automation	**from 2,500,000**		

“From” prices are first estimates. Domain, hosting, SMS, AI APIs and other third-party services are billed at cost. Gateway connection is technical setup only; licences and approval rest with the provider.
